CONNECTOR

JUNE 2018

PRESIDENT'S MESSAGE

Hello Neighbors!

My name is Kim Atkins, the new President of KLCC. A little about me: I am married with three children (all girls). John and I purchased our home in 2015 and love this community! We are also Block Captains for the Neighborhood Watch. Our section of homes is #237 - #264. I would love to meet our neighbors! If you see me around, or have any questions, concerns or suggestions, stop by and say "Hi"! I am excited to join the team and keep "The Connector" going.

BEST YARD ~

The Best Yard winner honored for the month of June is

Mary Jo Cox who lives in unit #131. A lot of effort has gone into the upgrade of both side yards as well as the front. There are numerous colorful plants around the unit — some in pots and others in the ground. Also included are various figurines and even a hummingbird feeder. The weeds have been removed and all is set in red wood chips and/or red rock ground cover.

All in all — very well done.

Other nice yards that were nominated for June include: #165, #40, #15, #88 and #309. The KLCC wishes to thank all these owners and all the other owners who strive to keep their units in good condition. *Ron Maurice, VP*

BUILD AN EMERGENCY DISASTER KIT

(Just the first section of the website.)

Make sure your emergency kit is stocked with the items on the checklist below. Most of the items are inexpensive and easy to find, and any one of them could save your life. Headed to the store? Download a complete printable version to take with you. Once you take a look at the basic items, consider what unique needs your family might have, such as supplies for pets, or seniors.

After an emergency, you may need to survive on your own for several days. Being prepared means having your own food, water and other supplies to last for at least 72 hours. A disaster supplies kit is a collection of basic items your household may need in the event of an emergency.

BASIC DISASTER SUPPLIES KIT

To assemble your kit, store items in airtight plastic bags and put your entire disaster supplies kit in one or two easy-to-carry containers such as plastic bins or a duffel bag.

A basic emergency supply kit could include the following recommended items:

- Water - one gallon of water per person per day for at least three days, for drinking and sanitation
- Food - at least a three-day supply of non-perishable food
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert
- Flashlight • First aid kit • Extra batteries
- Whistle to signal for help
- Dust mask to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Wrench or pliers to turn off utilities
- Manual can opener for food
- Local maps
- Cell phone with chargers and a backup battery

THE MAGIC BANK ACCOUNT

This is not a game, it is real, but
the "bank account" is not money,
it's time. Are you surprised?

1. Each of us is already a winner
of this *PRIZE*. We just can't seem to see it.
2. Each morning we awaken to receive 86,400
seconds as a gift of Life.
3. And when we go to sleep at night, any
remaining time is not credited to us.
4. What we haven't used up that day is forever
lost. Yesterday is forever gone.
5. Each morning the account is refilled, but the
bank can dissolve your account at any time
WITHOUT WARNING...

SO, what will YOU do with your 86,400 seconds?
Those seconds are worth so much more than the
same amount in dollars.

Think about it and remember to enjoy every
second of your life, because time races by so
much quicker than you think.

So take care of yourself, be happy, love deeply
and enjoy life!

QUOTE: We identify the flag with almost
everything we hold dear on earth, peace,
security, liberty, our family, our friends, our
home. But when we look at our flag and
behold it emblazoned with all our rights we
must remember that it is equally a symbol of
our duties. Every glory that we associate with
it is the result of duty done. — Calvin Coolidge

SHARE BOX: There is a
Share Box inside the Clubhouse
in which you may put useable
items that you don't use. You
may find something in the Share
Box that your family can use. Suitable items to
donate are canned goods, clothing that no
longer fits, household items such as extra
linens or kitchen items, tools, or pet items no
longer used such as e-collars and crates.

PLEASE LET US KNOW

Please let one of the KLCC Officers know
about any new neighbor(s) moving into the
Park. Please also let us know about any
Kearney Lodge Park resident ill or in distress.

PLEASE REMEMBER: KEEP THE NOISE DOWN

We continue to receive complaints from time to time regarding the noise issue. Violations of Park rules include loud booming car radios, car alarms that keep going off, and loud music coming from homes, especially early in the morning and at night. This is to remind

everyone that these practices are not acceptable. Submit your written complaints to the office for Park Management review.

ANOTHER REMINDER — and to let our new neighbors know: Please put something for a “paperweight” on your porch or steps, wherever it is that you get “The Connector” and Park flyers, to keep them from actually flying around our streets. Your editor uses a rock, but you probably have more creative and interesting ideas. Thanks for helping the volunteers!
