DECEMBER 2019

HOLIDAY PARTY

Kearney Lodge Park Management is hosting
the Holiday Party in the Clubhouse again this
year. It will be on Saturday, December 14th
from 4:00 pm to 7:00 pm. In addition to the
excellent Dinner, there will be the Photo Area
and Santa Claus, plus meeting and greeting

One of the residents' concerns brought up at the
NOV 9 KLCC meeting was to ask Management
about being able to discard electronic devices at
the front easement large dumpster area in the
spring. Many older residents would appreciate
this service. This is brought up at most meetings.

Management's response: In that there are a lot of
electronic recycle stations in the Kearny Mesa
area, Management will not get involved.

KLCC found the following Electronic recycling
services in the nearby Kearny Mesa area:

- Envirogreen Electronic Recycling Service
Recycling Center – 1-619-501-7885
9596 Chesapeake Dr. Ste. B, San Diego
Closes 4:30 PM
- The Miramar Recycling Center
Recycling Center – 1-858-268-8971

SPOTLIGHT

REPORTING

JOE BEATTY

DECEMBER 2019 — *Amber Bennett Reporting*

Joseph Anthony Beatty was born in New Jersey in 1959, and within one month, his family moved to CA. When Joe was seven years old, his father started a new company which moved them to Canada. Seven years later, the Beattys moved to Europe, eventually settling in Holland. Joe, his two sisters and younger brother, commuted by train to Belgium, just to attend school. After graduating high school in 1977, he travelled a year through Europe until enlisting in the U.S. Army, serving in the 2nd Armored Calvary and stationed on the border of East Germany.

In 1982, he reunited with his family in Chicago where he worked for several years, but his heart yearned for California. He worked his way west, locating in Arizona for a few years until one Christmas, he visited San Diego. He knew *immediately* that he had found his home. Within months he packed his bags and moved here in 1998.

Because Joe had prior experience working for country clubs, he settled in nicely at the Westgate Hotel in downtown San Diego, furthering his professional skills in formal dining. It was during this time that he met his life-long partner, Alex. In 2006, they sold their home and moved into Kearny Lodge. At this time, Joe worked at the Officer's Club on MCRD until his retirement in 2010.

After retiring, Joe had the time to *really* let loose of his various talents and creativity. As an avid collector of many things and his love and study of history, artistic projects, such as carpentry and restoration of wood furniture, he found time to revitalize the K.L. Mobile-Homeowner' Association. At the time, the K.L.C.C. was unnamed as such and had all but disappeared, so Joe stepped in to lead the organization as President for six years. His service to K.L.M.H.O.A. helped shape the vibrant force that the K.L.C.C. is here at Kearny Lodge. Joe's accomplishments include working with KLM to install street signs and names, posting the four bulletin boards in laundry and clubhouse rooms, carving and crafting the wooden "Mr. Five" that helped transition and enforce the new 5-MPH speed limit, and many more significant changes that improved residential life.

With support and social organization from Alex, they implemented many events to get residents active and together on a regular basis: Movie night in the front clubhouse, Yoga sessions, Shuffle-board court with game schedules, and the yearly Christmas tree, sled and decorations at the Park's entrance. Joe and Alex Beatty were even married here in a beautiful ceremony in 2014. They have left a long-lasting legacy of community and friendship by hosting holiday block parties, Halloween haunted house tours and decorations shared by residents. Joe even helped residents with small household repairs who were otherwise unable to afford or do themselves.

Nowadays, you can find Joe at work and/or at play in his study or workshop. He excels at home improvements by designing and making light fixtures, re-painting ceiling tile, room enhancements, working in his garden, refurbishing, restoring or re-purposing furniture. Whether the form or for function, Joe knows how to make most things more appealing and more beautiful than they were originally. His home is full of various items collected from world-wide travels, antiques and artifacts, and altogether adorned with deep, rich colors in brilliant design. Whenever I visit, I always spot something I haven't seen before, and always enjoy the warm welcome of these charitable neighbors.

Joe Beatty has enriched our park, been a model citizen of our community, and an inspiration to his friends at Kearney Lodge. I know I am among many residents who are proud to be called his friend.

Thank you, Joe, for your continued goodwill and service to our community!

Bingo is going well. We have had some people step up to do some of the things that keep it running smoothly. Thank you for that. We can always use another one or two for when someone is absent. We would like to see more attend. It's a fun social group and there's usually a treat. 😊

"BEST YARD" OF THE MONTH NOVEMBER 2019-Unit #322

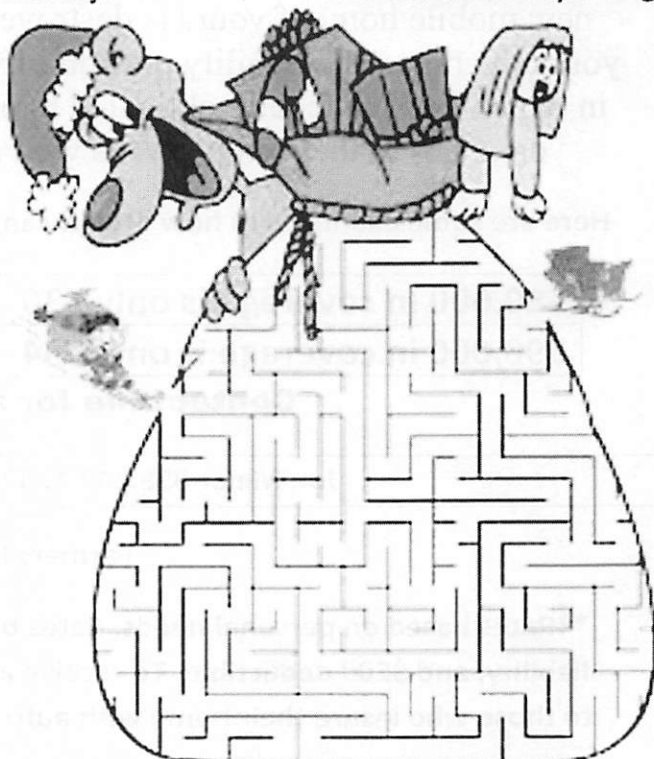

The KLCC Best Yard winner featured in December is Unit #322. This is a very nice doublewide, light tan with white trim.

On the right side is a clean driveway and a green bush. The driveway has an extra-long covered carport. On the left side is a strip of artificial turf and round patio stones in a red-rock base.

The front has artificial turf in a scalloped, red-brick border. There are two small palms, a few rose bushes and two tropical plants. The whole scheme is set off by solar lights. It looks very good, night and day.

OTHER CONCERNS FROM NOVEMBER 9, 2019 KLCC MEETING MANY QUESTIONS CONCERNING THE NEW TRASH CANS.

Your Donations Greatly Benefit All U.S. Veterans! <https://pickupplease.org/schedule-ppc/>

PICKUP PLEASE

One remaining Electronics Recycler:

Electronics: Stereo, radio, Xbox, Nintendo, Play-Station, computers, laptops, monitors, DVD players, cameras, typewriters, and all types of small kitchen appliances. NOT accepting TVs at this time.

- With the new black/dark-gray cans, will the trash collector take any other cans as they have in the past?
NO, the trash collector will only pick up trash cans with the letters EDCO stamped on the trash can.
- Will the trash collector take greens (grass, leaves, weeds) that are mixed in the new black cans or in a separate can; one resident says that a neighbor put out a full can of greens that were not picked up. If the greens are to be separated, we will need a GREEN trash can.

Greenery will be picked up as long as the greenery is in a black trash can marked EDCO. At the present time, we are not recycling greenery.

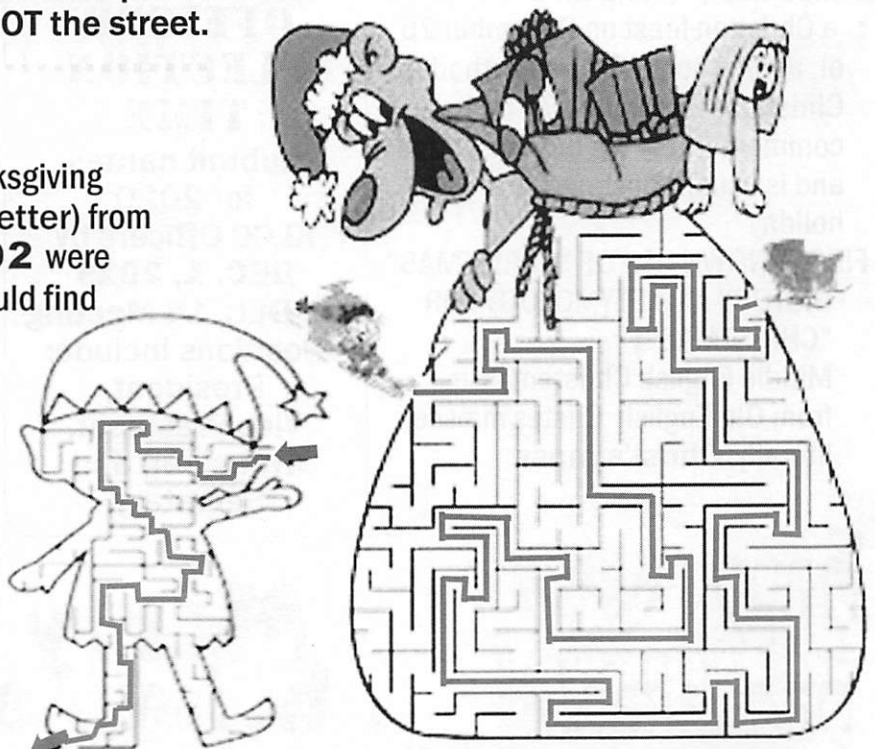

- Some residents heard that they must take their greens to the bin in the small vehicle storage lot. If true, our older residents cannot do that. Also if true, what hours will the lot be open?
Not true; residents do not have to take their greenery to the small vehicle lot.
- With the new black trash cans, does the trash collector want the handles facing the street or does it matter? All trash cans need to be at least three feet apart for the equipment to function properly.
The trash collector wants the trash cans put out with the handles facing your house, NOT the street.

O O P S

Clarification from KLCC regarding Thanksgiving dinners: two pages (the entire newsletter) from the "Kearney Notes" of November **1992** were printed. It was thought that readers would find it interesting to see what our newsletter looked like **27** years ago.

In those two pages, it was noted that there would be a Thanksgiving dinner at our Clubhouse and also that meals would be delivered from the Clairemont Friendship Senior Center. These events were in **1992**. We are very sorry this was not made clearer to our readers.
