### BINGO!

Friday Night Bingo is suspended while we seek those of you who would enjoy spending one evening a week with other park residents having fun, winning money and socializing.

#### LET'S PLAY BINGO!

- Play starts at 7:00 pm.
- You may play three cards for \$1.00, or more cards.
- We also play a separate game for a \$25.00 Jackpot.
- There are refreshments each week and a Potluck Dinner each month.
- We would like to be assured of at least 15 to 20 players each week.
- We also need a volunteer to call the games every third week.
- Bingo games will resume when enough residents verify their interest by calling me 24/7 at 858-525-2282. *Ellen*

#### BE A GOOD NEIGHBOR

- Curb your dog (and clean up waste.)
- Park in your own space(s).
- Don't be a six-car family.
- Take care of your property.
- Nurture relationships.
- Offer to lend a hand.
- Walk softly.
- Share a smile with a neighbor.
- Don't put out trash cans too early or too late.
- Keep your TV and music at reasonable volumes.
- Participate in the neighborhood watch.
- Welcome new neighbors into the community.
- Talk about problems. Use face-to-face conversations
- is more effective than sending a letter or email, or even making a phone call.

### In Memory of Jayme Alan Midlam

13 September 1997 – 29 December 2012

Jayme lived in Kearney Lodge when he was younger. His mother, Karen Lennon, still lives here. Jayme graduated from Madison High where he was active in several sports and ROTC. He continued to be active in sports, both as participant and spectator, and he was passionate about music. He was employed by UPS and Smashburger.

Jayme is also survived by his grandmother, Beverly Krylowicz, his uncle, Brian Krylowicz, his aunt, Jennifer Thompson, his cousin Addison Thompson, several surrogate family members, and many other extended family members and friends.

We extend our sincere sympathy to all those who knew and loved Jayme Midlam.

## KEARNEY LODGE COMMUNITY CONNECTION

### MEETING of 10 JANUARY 2013

Pot luck was enjoyed by all from 6:30 to 7:00 PM.

Joe Beatty called the meeting to order at 6:59 PM.

The Pledge of Allegiance was recited.

#### Treasurer's Report (Nadine):

Beginning Balance: \$434.05

Newsletter Ad Income: \$170.00

Donations: \$ 2.00

Refreshment Expense: (\$ 10.00)

Newsletter Expense: (\$147.08)

**BALANCE: \$448.97**

The State of California lifted our suspension so paperwork could be submitted to add Joe Beatty as the new President of KLCC, which will continue to be designated by the State as a Homeowners Association.

#### HOUSEKEEPING CONCERNS:

1. Because the minutes from the December meeting did not make the deadline for inclusion in the newsletter this month (JAN), copies were made available at this meeting. They were approved. *(There is a copy of the Minutes in the KLCC Notebook in the main Recreation Room.)*
2. Ellen has volunteered to check with five local businesses to see if they would be interested in placing an ad in our newsletter. A suggestion was made that anyone who frequents local businesses can take a copy of our newsletter to those businesses and encourage them to consider advertising. The newsletter is distributed to about 325 (all) households in the park. The newsletter deadline is the 15<sup>th</sup> of the month.
3. Joe reminded everyone to speak one at a time.

#### COMMITTEE REPORT:

1. Block Captains: Nothing to report this month
2. Street Naming: No timeline has been determined yet. Joe will check with the park managers again.

#### OLD BUSINESS:

1. Transportation: Another park resident volunteered to provide transportation if needed. Joleen will post a reminder in the newsletter.
2. The speaker for emergency preparedness has not set a date yet. Bonnie will call back. A date will be chosen that allows us to publicize it in the newsletter.
3. Because Joe could not access the minutes via the computer, he did not ask about opening the RV park for other cars, nor about cleaning up vacant lots in the park. He will ask this month.
4. Safe place for kids to play: Just as in other neighborhoods, parents are cautioned to provide safety rules for their kids to follow, and to monitor where they are playing. It is also the responsibility of Park residents to follow the speed limit in the park, which is designed to keep kids and anyone else who uses our streets safe. Please watch for kids and pedestrians, and drive carefully.
5. Park managers inspect street lights once a week and replace burned out bulbs. They will look into adding lights to a few areas that are dimly lit at present.

#### NEW BUSINESS:

1. Suggestion box items: none were received this month
2. Issues raised by members at the meeting:
  - a. KL has a Facebook page that keeps residents informed
  - b. The women's restroom at the back pool is extremely hot. Joe will inform managers as this is not only uncomfortable but may be a waste of energy.
  - c. Someone asked if the park has shuffleboard equipment and if not, could the Park purchase and make this available. Also, can the shuffleboard outline be repainted? Joe will ask the managers.
  - d. Bingo night has been cancelled until further notice. If interested in seeing it come back, express your interest at the KLCC meetings or in the suggestion box. *(And see front page!)* *(Cont. on Page 5)*

#### QUOTES

They that can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety. — Benjamin Franklin, *Historical Review of Pennsylvania, 1759*

America is much more than a geographical fact. It is a political and moral fact - the first community in which men set out in principle to institutionalize freedom, responsible government, and human equality.

— Adlai Stevenson

#### QUOTE

We dare not forget that we are the heirs of that first revolution. — John F. Kennedy

#### QUOTE

Ours is the only country deliberately founded on a good idea.  
— John Gunther —

## KLCC MEETING of 10 JAN 2013

### NEW BUSINESS (continued):

#### 2. e. Safety suggestion —

A resident noticed, on an evening walk, how many homes looked “abandoned” because there were no cars in the carport and no lights on. It might be smart to at least leave a porch light on, or use a timer for internal lights when you are away. Someone suggested getting a solar-powered porch light that turns on automatically at night and stays on till dawn.

3. Raffle drawing was held for the \$12 that was collected. The winner’s name will not be published.
4. Next meeting is February 14 from 7:00-8:00 PM: bring your valentine and double our attendance! [Note: pot luck is held at 6:30 PM in odd months. \*FEB is NOT an odd month.]
5. Meeting adjourned near 7:29 PM and socializing finished out the meeting. Come join us and get to know each other and be a part of making our park a better place to live.

Respectfully submitted,

*Wendy J. Hunter*, Secretary KLCC

### OLD BOOKS *May* = MONEY

While you may be able to fetch a dollar or two for used books, if they’re considered antiques, you may be able to get hundreds!

Check out <http://www.ABEbooks.com>, one of the largest marketplaces of used books online, to search for your book and see if it’s worth a lot of money. List your book on the site to find a buyer, or visit a local used bookstore and ask if they can match ABEbook’s price.

### TREES ARE TREASURE

If you’ve wanted to plant a tree in your yard, you are probably astonished at the cost. At <http://www.ArborDay.org> you can become a member for just \$10 and receive ten free trees suited for your location, plus discounts on future purchases. The website is an excellent resource for learning how to care for trees, and troubleshooting tree problems. Consider getting together with friends and/or neighbors to take advantage of this bounty.

### DRYING TIP

When you finish your bath or shower, swish the water drops from your entire skin surface before using the towel. You’ll dry more quickly and the towel will dry more quickly with less water in it.

**LOVE: THE SUPERIOR WAY**

Love is patient, love is kind. Love does not envy, is not boastful, is not conceited, does not act improperly, is not selfish, is not provoked, and does not keep a record of wrongs. Love finds no joy in unrighteousness but rejoices in the truth. It bears all things, believes all things, hopes all things, endures all things.

..... Now these three remain: faith, hope, and love. But the greatest of these is love.

**LETTER TO THE EDITOR:** The comment in the DEC 2012 KLCC Meeting Minutes about kids riding/driving electric cars in the street is interesting, especially since those minutes were published before Christmas. More than likely there are more of these "toys" in the park since Christmas. And then there are the kids who ride their scooters really fast up and down the streets with no supervision. I'm really concerned that one of these days a kid is going to get hit from darting out at the end of a street in front of an unexpected driver. But I guess that is what it's going to take before anyone takes notice, sadly. Are drivers supposed to share the road with the children riding their toys? *(A concerned neighbor)*

Will you love me in December as you do in May,  
Will you love me in the good old fashioned way?  
When my hair has all turned gray,  
Will you kiss me then and say,  
That you love me in December as you do in May?  
— James J. Walker

Love looks not with the eyes, but with the mind,  
And therefore is winged Cupid painted blind.  
— William Shakespeare,

To carry all my love for you. — Author Unknown

## JOKES with PUNS

- King Ozymandias of Assyria was running low on cash after years of war with the Hittites. His last great possession was the Star of the Euphrates, the most valuable diamond in the ancient world. Desperate, he went to Croesus, the pawnbroker, to ask for a loan. Croesus said, "I'll give you 100,000 dinars for it." "But I paid a million dinars for it," the King protested. "Don't you know who I am? I am the King!" Croesus replied, "When you wish to pawn a Star, makes no difference who you are."
- Evidence has been found that William Tell and his family were avid bowlers. Unfortunately, all the Swiss League records were destroyed in a fire . . . and so we'll never know for whom the Tells bowled.
- A man rushed into a busy doctor's surgery and shouted, "Doctor! I think I'm shrinking!" The doctor calmly responded, "Now, settle down. You'll just have to be a little patient."
- A famous Viking explorer returned home from a voyage and found his name missing from the town register. His wife insisted on complaining to the local civic official, who apologized profusely saying, "I must have taken Leif off my census."
