CONNECTOR

OCTOBER
2017

IN MEMORY OF H. JAMES (JIM) GRAY

January 25, 1928 to
September 24, 2017

Jim was born in Elytia,
Ohio to Ruth and Leo
Gray; the oldest of

10 children. Jim was a farmer in his younger days, before enlisting in the U.S. Navy during the Korean War. Jim and a former wife had three sons, Mark, Guy, and Gary (deceased). He also adopted a fourth son, Glenn.

On December 24, 1986, he married Ora. Soon after their marriage, They moved into the Kearney Lodge Mobile Home Park, in unit 310. Jim became very important in the lives of Ora's three children who loved him dearly.

The Navy sent Jim to the front lines of the Korean conflict. His plane crashed over Korea on October 16, 1951. Because of the crash, he received the "Purple Heart" and medical discharge for an abdominal wound. He also received the following medals; Japanese Occupation; American Defense; China Service; Good Conduct; Korean Campaign; Air Medal; Combat Air crewman wings; and United Nations.

Jim was a Loyal Order of Moose life member of the Kearney Mesa Moose Lodge. He joined the lodge on May 22, 1980 and became very active. He went thru all the chairs at least twice, and he was voted in as the Lodge Governor three times. He was a top ritualist on many occasions. Jim received Moose Legionnaire degree on February 9, 1981; Fellowship Degree on May 26, 1987, and he received the highest degree of the Order, the Pilgrim Degree of Merit in the House of God, in Illinois, on May 28, 2005.

Jim was known as the flag man because he displayed all of the military and American flags on every holiday. He loved John Wayne and the American eagle. He was a good friend, father and husband. He will be missed by all.

We extend our sincere sympathy to the family, friends, neighbors, and colleagues of H. James (Jim) Gray.

WORDS FROM YOUR PRESIDENT

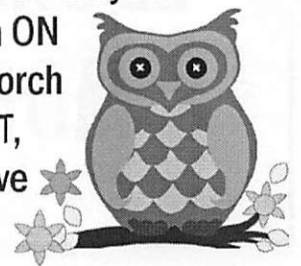

In the past two months, there have been way too many preventable incidents in the park. To help curtail all incidents, a Neighborhood Watch program meeting was held on September 21st to discuss the recent problems;

- Nonresidents (believed to be homeless) using restrooms at both pools
- Several bicycles and a tricycle stolen
- Vandalism
 1. Hoses cut
 2. Decorative bricks knocked over
 3. Large fish hook left in resident's patio
- Residents fear for their safety

WESTWAY VETERINARY GROUP - September 14, 2017

Westway Vets is sad to announce the passing of Nutmeg, a cat thought to be the world's oldest moggy.

After an incredibly long life, Nutmeg, who was 32, suffered heart failure after coming to Westway with breathing difficulties. He is pictured here at Westway Vets on his 31st birthday last year.

He was adopted by Liz and Ian Finlay, from Blaydon, in 1990 when Cat Protection said he was aged around five.

He kept outliving all his nine lives and underwent life-saving treatment at Westway Vets in 2015 after suffering a stroke.

Kearney Lodge Community Connection meets on the 2nd SATURDAY each month.

A GARDEN SOLUTION

Are your tall blooms flopping over? Here is a discreet and inexpensive way to get splayed plants to stand up: gather the stems and hold them upright with a bungee cord wrap. For large clumps, interlock the ends of two cords together to hold all the stems.

WORDS FROM YOUR PRESIDENT - *cont. from page 1*

Also discussed at the meeting was the restarting of the Neighborhood Watch program. For those not knowing the function of the program, here are some of their activities.

? WHAT IS NEIGHBORHOOD WATCH?

1. Neighborhood Watch is a crime prevention program that enlists the active participation of residents in cooperation with law enforcement to reduce crime, solve problems, and improve the quality of life in your area. In it, you will get to know and work with your neighbors, and learn how to;
 - a. Recognize and report crimes and suspicious activities.
 - b. Protect yourself, your family and your property,
 - c. Protect your neighbor's family and property.
 - d. Identify crime and disorder problems in your area and work with SDPD Personnel to solve them. To make this work, Block Captains and assistant Block Captains are needed.

WHAT ARE THE DUTIES OF THE BLOCK CAPTAINS?

1. Report unsafe street conditions
 2. Keep your block clean and free of graffiti
 3. Provide a safe environment for your children
- Anyone who is interested in being a Block Captain can call me at 619-892-2882 or E-mail me at cmdombrow@yahoo.com. We need to watch out for our children and our elderly.

REFLECTIONS ON AGE

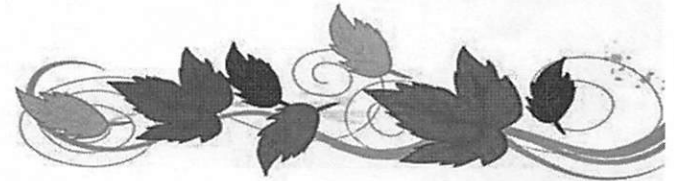

The biggest lie I tell myself is . . . "I don't need to write that down, I'll remember it." Of course I talk to myself; sometimes I need expert advice.

PLEASE LET US KNOW

Please let one of the KLCC Officers know About any new neighbor(s) moving in to the Park. We visit them and welcome them to Kearney Lodge. In addition, If you know of any Park resident in any sort of distress, please let us know that too.

BEST YARD FOR SEPTEMBER IS SPACE 72

Nominations for Best Yards need to be submitted to an Officer or via the Suggestion Box by the 1st of each month. The awardee each month receives a \$10 Gift Certificate for Home Depot – Spring Seeds, anyone?

TIS THE SEASON!

To help put everyone in the season's spirit, we ask you all to decorate the outside of your home for Halloween and Christmas. If we get enough residents to participate maybe we can start having the "Best Decorated House" contest again.

THANK YOU JO-ANNE!

Jo-Anne has been the medical device committee chair for the past six months. Now that she has all the devices accounted for in the new small vehicle lot, she is looking for a relief. Unfortunately, her work prohibits her from lending out the devices in a timely manner.

The next KEARNEY LODGE COMMUNITY CONNECTION MEETING is SATURDAY, October 14, 2017 at 2 pm in the West-side Pool Room.

EXCERPT — After the first autumn rains, how inimitable the beauty of days—the fall colors, not yet faded, washed out, in the winter deluge, but dripping, glistening, every crystal drop refracting the hue it trickles over. Running, draining color, brighter before the soil takes back again the positive red and yellow and blue to weave into the misty textures of spring.

DID YOU KNOW? The opossum eats anything, including garbage.

ABOUT OPOSSUMS

Opossums are among the most primitive mammals. Fossil ancestry goes back 70 Million years. They have survived by adapting to human habitat, and being able to eat just about anything. They are beneficial in that they help to keep the balance of nature.

Opossums are often mistaken for rats. They are not rodents, they are marsupials. They are not aggressive toward humans or pets but they will attempt to defend themselves if cornered.

Opossums are relatively disease free. They do not carry Parvo virus, distemper or rabies. They are actually an excellent animal to have around your property because they eat rats, mice, snails, slugs and insects. They also eat over-ripe fruit that has fallen to the ground. They are called "omnivores" because they eat meat as well as vegetables and fruit.

Opossums are nest builders. They are also nocturnal. They spend much of the day in their dens. At night, they forage for food. They are excellent climbers using all their hands, feet and tail to grasp.

CO-EXISTING WITH OPOSSUMS:

- ✓ Secure trash can lids so that opossums cannot get into them; secure trash cans in a shed or garage.
- ✓ Eliminate access to food in your yard; place pet food inside, secure pet doors at night, pick up fallen fruit around the garden, restrict the use of birdseed.
- ✓ Block holes in fences with wire or wood.
- ✓ Trim branches that provide access to your house.
- ✓ Bright lights, loud sounds, and ammonia-soaked rags may act as deterrents.

If you suspect that an opossum is in your attic, under your porch, etc., sprinkle baking flour around the area. This will allow you to identify the entrance to the area that the opossum is using. Once you have identified the entrance to the den, sprinkle flour around it again. You must wake up early in the morning before the opossum can return. If there are footprints indicating that it has left, seal the entrance temporarily using wire mesh. If there are no further signs of an opossum in the area, permanently seal the hole.

Many years ago, your *editor* was told by wildlife rescue personnel that possums cannot not climb slick surfaces nor jump up very far; however they can climb wherever there are crevices to grab. If a possum gets into a nearly empty trash can, it cannot get out. Solution: tip the trash can away from you so it can run and hide.

WORDS THAT CONFUSE US

LIE versus LAY

We're all pretty clear on the "lie" that means an untruth. It's the other usage that trips us up. "Lie" also means to recline: "Why don't you lie down and rest?" "Lay" requires an object: "Lay the book on the table." "Lie" is something you can do by yourself, but you need an object to "lay".

It's more confusing in the past tense. The past tense of "lie" is—you guessed it—"lay": "I lay down for an hour last night." And the past tense of "lay" is "laid": "I laid the book on the table."

GLOBAL CAT DAY — OCT 16, 2017 (formerly National Feral Cat Day)

In 2017, recognizing that community cat awareness starts in our own backyard — and that our backyard might be in New York City, Omaha, Ottawa, London, Beijing, Addis Ababa, Istanbul, or Guadalajara — National Feral Cat Day is now Global Cat Day.

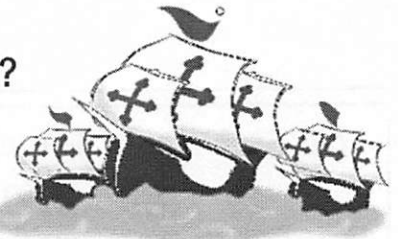

Alley Cat Allies first launched National Feral Cat Day® on their 10th anniversary in 2001 to raise awareness about community cats, promote Trap-Neuter-Return (TNR), and recognize the millions of compassionate Americans who care for them. Year after year, international participation in National Feral Cat Day grew, because compassion knows no borders.

DID YOU KNOW?

Columbus Day is a U. S. holiday on October 12; it is observed this year on Monday, October 9 in accordance with the Monday holiday bill of June 28, 1968, which took effect on January 1, 1971. Many countries in the Americas celebrate Columbus Day. Christopher Columbus discovered America on October 12, in 1492.
