CONNECTOR

JUNE 2019

HOW DOES YOUR GARDEN GROW?

If you have already started your garden, it won't be long till you begin to reap the rewards. Remember, if you have an abundance, you can share with a notice in "The Connector" (it's free), or you can call me and I will help you locate someone who will have other produce to trade. Happy summer of sharing. Ellen: 1-858-525-2282 or ellenconrad9@gmail.com

Best Yard of the Month May 2019 Unit 153

The Best Yard winner for the month is unit #153. This is an attractive, well-maintained unit, both house and yard. The driveway on the right side is clean concrete with an arched entrance into the back yard. The front is a nicely designed landscape which is mostly complete but still a work in progress. There are four tall, slender Italian cypress trees plus two shorter ones. The design includes a variety of plants on two levels which are separated by two low stone walls. There is also a small rock-covered area. On the left side are several medium-height fern pines. Folks, it obviously took a lot of care and effort to build this landscape, but the result is worth it. The KLCC officers do notice and appreciate our well-kept homes such as this unit. Great job!

GARDEN TIP: Turn a long-handled tool into a measuring stick!

Lay a long-handled garden tool on the ground, and next to it place a tape measure.

Using a permanent marker, write inch and foot marks on the handle. When you need to space plants a certain distance apart (from just an inch to several feet) you'll already have a measuring device in your hand.

WANTED — TREASURER

Once again, the KLCC is in need of a Treasurer since Demi Woodson has resigned due to scheduling conflicts.

The Treasurer attends the KLCC monthly meetings, prepares a monthly treasurer's report, keeps track of in-coming and out-going funds, sends out monthly invoices with the newsletter to outside advertisers, goes to the bank to make deposits (once or twice per month), and takes occasional phone inquiries.

If you are the one to fill this position, please contact any of the KLCC officers or come to our monthly meeting. *Ron Maurice, VP*

WORD FOR THE MONTH

Ology — noun: ol-og-y \ 'äləjē\ plural -les

The terminal "-logy" is used to denote a discipline or study of; a branch of knowledge. These terms often utilize the suffix "-logist" or "-ologist" to describe one who studies the topic. In this case, the suffix "ology" would be replaced with "ologist". For example, one who studies biology is called a biologist.

There are additional uses for the suffix such as to describe a subject rather than the study of it (e.g. technology).

Examples (from over 400): astronomy; biology; cryptology; geology; immunology; lexicology; neurology; oncology; physiology; sociology; volcanology; and zoology.

Amber Bennett Reporting

Ellen Conrad

Ellen Conrad was born January 6, 1935, in the small farming town of Pilger, Nebraska. Growing up amidst the landscape of cornfields, fruit trees and animals, she had a fun childhood. At the age of 13, three years after the passing of her father, Ellen, and her mother, moved to the city of Omaha. Being a whimsical and artistic child, she taught herself to play the piano during the days she spent helping her mother clean the church — play...dust...play...dust!

In 1952, at the age of 17, she gained employment at an insurance company. Living on her own, she met her soon-to-be husband, Fred Conrad. They married in 1954, and, within four years had three children: Jane, Ben and Tom. From 1957 through 1967, the family traveled cross-country; Nebraska to California, El Paso to New Orleans, Florida to Baltimore, Denver to Hollywood, until settling in San Diego.

Fred was a self-taught talent at everything he tried, including hanging wallpaper. In 1969, the couple opened a wallpaper store which provided a product as well as a paper-hanging service. Ellen raised their children as well as working full time at their business until they sold in 1980, and moved to Santa Ynez.

Unfortunately in 1989, Fred met an untimely death in a Bobcat accident. Nearly two years later, Ellen's daughter prompted her to return to San Diego. She bought a house in Clairemont and some years later, Jane and her son, Max, moved in until the passing of Jane in 2004. Within a year, Ellen and grandson Max, 12, moved into K.L.M.H.P.

For many years, Ellen has enhanced the quality of residential life at Kearney Lodge. In addition to service as KLCC secretary, vice president and acting president, she has instituted many services and programs that are available today: Best Yard Award, volunteer transportation, community share box, community garden (located on east-side vehicle storage lot), pancake breakfast social, KLCC bulletin board designs, and much more, plus she leads Friday night Bingo. She attends KLCC meetings and supports KLCC events, all with the aim to make K.L.M.H.P. a fun and better place to live. She is a devoted kitty mom to Howie and Pookie, mother, grandmother, aunt, neighbor, and true friend.

In respect to the full and colored life she has lived, I asked her what advice she could give me — she said.....“Be Kind.”

Thank you, Ellen, for sharing your life with Kearney Lodge Community....we celebrate you!
