The Best Yard selection for the month of July is unit **#124!** It is a double-wide home, pale yellow with white trim. On the right side is a clean asphalt driveway. The front contains a number of items including the following: a half dozen rose bushes in circles of curved, scalloped stones, an attractive, raised patio with furniture, various, colorful, flowering plants, a base of rubber chips made from recycled tires and a tan, 2 high stone border along the street. On the left are patio stones in a white rock base. In general, the design is

simple, clean and weed-free. The owner has kept this home looking good for many years. Thank you **Joyce**, we do notice and appreciate your efforts!

Respectfully submitted by Ron Maurice
