

SPOTLIGHT

REPORTING by Valerie Dombrow

New resident **Jeanette Conacher** was born 77 years ago in San Francisco at the UCSF Medical Center. When she passes, she will return to the University of California system into the local UCSD School of Medicine

body donation program, coming full cycle as a native Californian.

Jeanette grew up in Santa Cruz, CA with working parents and one sister, two blocks from the beach along Monterey Bay, for 21 years through the late '40s, '50s and early '60s. One favorite memory growing up is the hours spent at the beach swimming, playing in and exploring tide pools with the family and dog.

At age 21 she returned to San Francisco to attend SFSU earning a Masters degree in biology where she met her first husband in the biology, chemistry and geology labs.

After a 1968 graduation, Jeanette commenced her 30-year teaching career, mostly in San Diego County having taught at Mt. Empire Jr.-Sr. High in Campo, then Poway Unified School District, primarily 7th grade Life Science. During those teaching years, Ms. Coyle was the first female naturalist in the California State Park system; wrote and published a field guide to the common plants of Baja California; and began her summers of world travel.

Her second husband, a Vietnam Vet, James Conacher, was a career soldier, seeing 21 years of active duty as a Special Forces paratrooper. When he retired again, from work at the local VA Medical Center, in 2002, they moved to Cortez, Colorado for 15 years to be rancher/farmers, raising cattle and the alfalfa to feed them. When Jim passed in early 2019, Jeanette returned to her beloved San Diego renewing friendships with other retired teachers and her congregational family.

Jeanette's favorite lifetime memories include travel to the Galapagos Islands on the equator and many exploratory trips to Israel. She has lived in this peaceful Kearney Lodge MHP nine months now, enjoying her new modular home, tiny garden, and friendly neighbors. Interests and hobbies include Bible study, world travel, scrap booking, quilting, gardening, and serving others in the Name of Yeshua!

Welcome to Kearney Lodge Mobile Home Park, Jeanette!

Happy 50th Anniversary

Joe and Lynnda Gutierrez met in high school and got married two years later, on August 26, 1970. They have three children, nine grandchildren and three great-grandchildren.

Congratulations, Joe and Lynnda!

This just in!

Presents PROPERTY Insurance For:

MOBILE & MANUFACTURED HOME INSURANCE

While most mobile home policies only cover your home for certain specified perils, Farmers policies cover most perils and offer options to customize your coverage.

With Dependable service you can rest easy knowing that your belongings are protected from a wide range of damages. Our platinum insurance package covers replacement cost for any covered loss, including fire. This ensures you receive a new mobile home if yours is destroyed. Theft and vandalism are also included in your coverage. The liability portion of your property policy covers you for instances in which you are legally obligated to pay for physical injuries to others, along with damages to their property, as well as certain types of non-Physical injuries.

Here are some examples of how little it can cost protect property and personal possessions!!!

\$80,000 in coverage is only \$30	\$100,000 in coverage is only \$36
\$90,000 in coverage is only \$34	\$110,000 in coverage is only \$40

Contact me for a personalized quote!

Jon Meier 858.342.1252 or jmeier@farmersagent.com

Farmers Insurance Group

****Rates based on personal needs. Rates based on: 24 feet by 44 feet, \$100,000 in personal liability, and \$500 deductible. To receive additional savings we offer multi-policy discounts to those who insure their home with auto and/ or life insurance with Farmers or Foremost.**

- b. Announce BEST YARD in June - published in July: Unit 57
- c. Drawing - money from tickets: \$5.00

Adjourned at 2:45 PM.

Chuck Dombrow, President
Amber Bennett, Secretary

"BEST YARD" of the month AUGUST 2020 - Unit #87

The Best Yard winner for August, published in this September issue, is Unit #87.

The house itself is gray with white trim. On the right side is a clean driveway.

In the front, there is a large assortment of plants and colorful flowers. In the center is a medium-sized tree. There are three tomato plants, several bird baths, a small juniper, several hummingbird feeders, and an American flag. It is all set in a wood-chip base with a scalloped brick border.

On the left side, there are more plants, a nice raised patio, and patio stones leading to the back yard. An interesting display, clean and well-maintained.

Ron Maurice Reporting

SEVEN RIDDLES

1. What has to be broken before it can be used?
2. Jimmy's mother had three children. The first was called April, the second was called May. What was the name of the third?
3. What begins with T, ends with T, and has T in it?
4. What has a head and a tail but no body?
5. You can hold it without using your hands or your arms. What is it?
6. It's so fragile even just saying its name can break it.
7. What building has the most stories? (See PG. 12)

THE VERSATILITY OF "TELE—" In the Age of COVID-19

Tele- is a versatile prefix that generally refers to covering distances. It is most often seen in the words *telephone* or *television*, which carry sound or images over long distances, but has been adapted to new ways in which interactions are being mediated over distance, such as *telemedicine*, *teleconference*, and *teletown-hall*, which are all remote in practice.

It is the *Telegraph* for sending *telegrams*, besides other "far-off" communications. Many other uses include; *telemarketer*; *telecom-mute*; *teleconference*; *telehealth*; and *telemedicine*.

- **EXAMPLES of "tele-":** "Unless we find a solution, Mars explorers, even if they land on the surface, could be barred from stepping onto any zone that might harbor life, in which case they'll have no choice but to "tele-operate" rovers to do the everyday work of surveying and sampling."
— *Tony Reichhardt, Air & Space, January 2016*
- "Nantucket also uses *tele-radiology*, having Boston radiologists, some specializing in certain body areas, read X-rays and scans. It has used *tele-pediatrics* twice, for a child in a car accident and one in diabetic crisis."
— *Pam Belluck, The New York Times, 9 Oct. 2012*

In the age of COVID-19, we are seeing the combining form "*tele-*" used in even more new and creative ways as technologies such as Zoom and Skype allow parties to communicate while remaining distanced: "*tele-town halls*" or "*tele-rallies*"; a public "*tele-hearing*" and "*tele-chaplaincy*".

As videoconferencing finds its way into other industries, *tele-* might see even more inventive use in the future.

KEEPING YOURSELF OR A LOVED ONE SAFE FROM FRAUD

We are all vulnerable to financial exploitation, and seniors especially so. Always stay on alert for common scams like offers that are “too good to be true” — usually money you supposedly won — or a “technician” calling out of the blue to fix a non-existent problem on your computer. Whether you are enjoying your golden years, know an older adult, or are caring for a loved one, a few preventative measures can make a big difference.

5 TIPS TO STAY PROTECTED

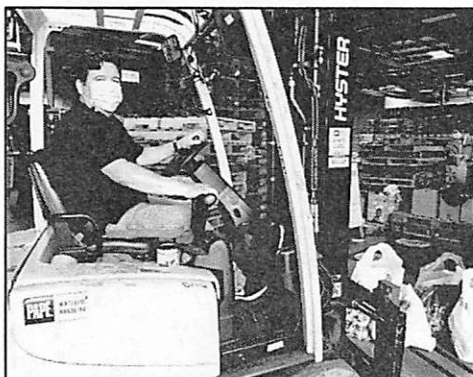

1. Shred receipts, bank statements, and unused credit cards before throwing them away.
2. Lock up your checkbook, account statements, and sensitive information when you have visitors.
3. Never provide your Social Security Number, account numbers, or other financial information over the phone unless you initiated the call and the other party is trusted.
4. Assign a trustworthy person to act as your agent in real estate matters.
5. Check references and credentials before hiring anyone to help with chores in and out of your home.

WARNING SIGNS TO WATCH OUT FOR

1. Sudden changes in bank accounts or banking practices including unexplained withdrawals.
2. Abrupt changes in a will or other financial documents.
3. Unexplained disappearance of valuable possessions.

Excerpts from Union Bank newsletter

THANK YOU!

Michelle reports that in August, Park residents donated 164 pounds of food to the San Diego Food Bank.

This month's recipe is submitted
by Joleen Gonser.

ICE CREAM IN A BAG

INGREDIENTS

- 1 cup half-and-half
- 2 tbsp granulated sugar
- 1/2 tsp vanilla extract
- 3 cups ice 3 cup salt
- Toppings of your choice

INSTRUCTIONS

In a small resealable plastic bag, combine half-and-half, sugar, and vanilla. Push out excess air and seal into a large resealable plastic bag, combine ice and salt. Place small bag inside larger bag and shake vigorously 7 to 10 minutes, until ice cream has hardened. Remove from bags and enjoy with or without some favorite toppings.

This also works using coffee canisters, too, or even tightly-sealed plastic containers. Shake them or roll them back and forth for about the same amount of time. Then you have a handy container for the freezer for your leftovers (if you have any.)
