JULY 2019

Best Yard
of the Month
June 2019
Unit 310

Our Best Yard winner is unit #310 near the front of the Park. It is a beautiful new home, grayish-green with white trim. The driveway is clean concrete.

This home has a lot of yard space and the owners, Brandon Le and his wife Nhu, have put in a lot of work planting and decorating. In fact, it is still a work in progress. The end near the driveway has numerous potted plants of the semi-desert, drought-tolerant variety. There are plant baskets under the windowsills, large decorative rocks, large-stone border, concrete block setups with plants, and a rock base.

The front contains a large variety of plants, mostly in pots of various sizes. There is an irregular decorative stone walkway; flowers in masonry blocks, more large rocks, a combination of rock, and red and brown wood-chip base, small yucca trees, more plants in baskets at the windowsills, tomato plants and other stuff.

Folks, this place is a regular botanical garden, and more is on the way as Brandon and Nhu do a little at a time. Great job! *Ron Maurice Reporting*

*A Simple Thank you
for your service*

Sharing a simple "Thank You" for your service can make the day of the person you say it to.

I have lived here in the park for more than 15 years and I see the police, fire department, paramedics and many other First Responders servicing our park members. When my mom was living with us, they were called several times to help her. I was always grateful for their help and the care and attention they gave us all.

When I was in the grocery store the other day, the local fire department was also there. I recognized them from one of the visits they made to our home; I walked up to them and thanked them for their service. They were so surprised and thankful to receive acknowledgement. I could tell it made their day.

If you are out and about and see a First Responder, please stop and thank them. It is their service that allows us to live the lives we do.

SPOTLIGHT

REPORTING

July 2019

Ron Maurice

Valerie Dombrow Reporting

Ron Maurice was born on June 8, 1949 in the small mill town of Lawrence, MA to Antoinette and Roland Maurice. His dad was a WW 11 Army vet. Ron has one brother, Roland Jr. and one sister, Pat. He has five nieces and nephews, and several great nieces and nephews. Ron's fondest childhood memories are when his dad took him to Fenway Park to watch his favorite team, the Boston Red Sox.

Ron was brought up in the Catholic religion, attending Catholic grammar schools and all-boys High School. Upon graduation from High School, he attended UMASS Lowell and graduated in 1971 with a bachelor degree in Civil Engineering. Soon after graduation, he was hired by the Government Civil Service to become a Facility Planner. His new job required him to move to San Diego where he worked at several military bases, including the Navy Base on 32nd street and the old Naval Training Center, in planning everything from new barracks to new piers. Ron retired from his government job in 2004.

Ron moved into Kearney Lodge Mobile-home Park in 2012. Since his arrival, he has made his presence felt as Vice president of the KLCC. During a stretch of a year, he assumed the roll of President when no one would step forward. His efforts saved the KLCC from going under. Ron is well known by all our senior residents; he is always involved in driving homeowners to their doctor appointments, grocery shopping, and other various errands.

On Friday nights, you will usually see Ron heading down the street for Bible Study, then on Saturdays, you may see him heading to Coronado to participate in Lawn Bowling, a favorite sport of his. Ron loves doing yard work, if he is not helping others, you will see him working on his yard.

Ron is a quiet man with a BIG HEART!

BORROW MEDICAL EQUIPMENT

The KLCC has a medical equipment lending program available to residents who need to borrow items such as bathroom aids, canes,

crutches, and walkers. Other items may also be available. When you want to borrow or make an item of medical equipment available, call Ron Maurice at 1-858-633-8033.

FEVER BLISTERS AND COLD SORES

What's the difference between a fever blister
and a cold sore? Fever blisters and cold sores
are two of the most common disorders in the
mouth. They cause discomfort, annoyance, and
sometimes, embarrassment. Both cause sores
to develop in or around the mouth, and are often
confused with each other.

The difference is that a cold sore occurs only on
the inside of the mouth (tongue, linings of the
cheeks, lips and throat) and fever blisters
usually occur outside the mouth on the lips,
chin, cheeks or nostrils. If they do occur in the
mouth, they are usually on the roof of the mouth
or gums. They will appear smaller than cold
sores and often begin as a blister.

ARE BABY TEETH IMPORTANT?

Baby teeth are very important to your child's development for several reasons. Not only do they encourage the development of the jaw bone — and reserve space required for the permanent teeth to follow — baby teeth also enable your child to chew solid food and assist in speech development. Moreover, they contribute to your child's positive feelings about his or her appearance, and help build confidence.

Therefore, it is important to begin a daily oral care routine for your child before the first tooth appears. After each feeding, wipe your child's gums with a warm, wet cloth or a small gauze pad to remove excess food and bacteria. As soon as the first teeth appear, brush them with a small, soft-bristled brush moistened with warm water. When teeth begin to touch each other, add daily flossing to the routine.

With adult supervision, most children are able to brush and floss their own teeth by about age four. However, we recommend assisting your child at least once a day to ensure a thorough job. You should continue to monitor your child's oral care throughout childhood.

Remember, with your own healthy oral care habits, you serve as an important role model for your child.

INDEPENDENCE DAY

Independence Day (colloquial: the Fourth of July) is a federal holiday in the United States commemorating the Declaration of Independence of the United States on July 4, 1776. The Continental Congress declared that the thirteen American colonies were no longer subject (and subordinate) to the monarch (king/queen) of Britain and were now united, free, and independent states. The Congress had voted to declare independence two days earlier, on July 2, but it was not declared until July 4.

Independence Day is commonly associated with fireworks, parades, barbecues, carnivals, fairs, picnics, concerts, baseball games, family reunions, and political speeches and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of the United States. Independence Day is the National Day of the United States.

AMERICA THE BEAUTIFUL

- v.1. Oh, beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.
- v.4. Oh, beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam,
Undimmed by human tears!
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea.
