The Yard of the Month for November is **SPC 85!** "Spiders and goblins and ghosts, oh my!" Space 85 truly got into the Halloween season with handmade foil spiders in addition to store-bought skull banners, furry spiders, cemetery stones, bones, and skulls. Underneath all this is an attractive water-conscious yard with artificial grass and three small palms surrounded by a two-layer decorative brick border. There are also three owl statues, two of them with solar-powered lights for eyes. The whole yard is a pleasing mix of artificial and natural landscaping.

Respectfully submitted by Wendy
