OREO SPIDERS

Stick pretzel sticks in the sides of double-stuffed Oreos. Then, use frosting to stick M&Ms on top of the Oreos for eyes. That's it! This is a great recipe for kids to help with—no hot or dangerous materials, and lots of margin for error.

STAYING HEALTHY TIPS

Back-to-school time brings on an influx of germs. Here are a few tips to help you survive the coming cold and flu season.

1. **Wash your hands frequently.** Keep your hands out of your mouth, avoid rubbing your eyes and wash your hands thoroughly several times a day, especially before meals.

2. **Eat a healthy diet rich in vitamins C and E.** Foods containing these vitamins are believed to be helpful in supporting the immune system. Reduce your intake of sugar (e.g. soda, candy) because excessive sugar impairs the immune response.

3. **Get a good night's sleep.** A full night's sleep keeps your body's natural defenses at optimum efficiency.

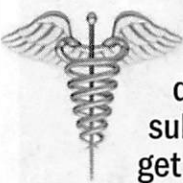

4. **Stay hydrated.** Increasing your water intake will help you stay healthy and lessen the chance of you coming down with the flu.

5. **Exercise regularly.** Not only can regular exercise lower stress, but research indicates that exercise can stimulate the immune system and promote healthy sleep.

6. **Listen to your body.** If you do come down with a cold or flu, take it easy. Spending excessive energy steals valuable resources from the immune system.

7. **Seek help if you get worse.**

If your symptoms become significantly worse after the first three days of illness, especially if they subside and then return, be sure to get medical attention right away.

MEET THE KLCC SECRETARY

Hi! Good to meet you.

I am Amber Bennett, KLCC Secretary, proudly serving KLMHP since 2016. A little about myself: I was born on the island of Guam in 1982.

My father's business endeavors took us to Southeast Asia. I was fortunate to live overseas in Singapore and Indonesia until graduating high school in 2000.

Upon becoming a first-time resident in the United States, I chose San Diego to pursue a BA degree in Biblical Studies at Christian Heritage College in El Cajon.

In 2004, I moved into KLMHP. Soon after I found professional success in distribution and sales within the beauty salon/supply industry, with which I have continued until present.

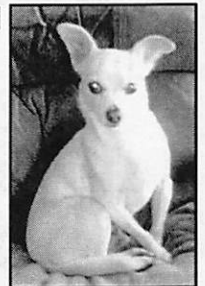

I LOVE Kearny Lodge! I enjoy so many of its residents and living in a community that is peaceable, respectable and safe. I credit my involvement in KLCC to the past and present officers, and volunteers that share the same values of neighborhood service as I do.

Thanks to our great Park and all our residents, I enjoy life at Kearny Lodge every day. I reside with my husband, Eric, and our two "kids,"

← Riley and Benny →
(aren't they cute?)

Thank you for your support of

KLCC, and if you haven't come to a monthly meeting yet, PLEASE DO I would love to meet you!

WHERE HAVE ALL THE LITTLE GHOSTS AND GOBLINS OF HALLOWEEN GONE?

Some of my favorite childhood memories were meeting up with friends to go trick-or-treating. We would race through the streets of our neighborhood, enthusiastically knocking on doors shouting "Trick or Treat" and showing off our costumes to all who would admire

them. After we hit every house with a porch light on, we'd go back to one of our own houses and trade our favorites, and compare our loot to be consumed as fast as we were allowed.

As an adult, my excitement for Halloween changed roles, and I found myself delighting in all the kids who ran excitedly up to my door shouting "Trick or Treat" and presenting their costumes for admiration while parents stood on the sidewalk gently reminding their little ones to say "thank you" with each treat they received.

It seems families are more often loading kids up in the car to find other neighborhoods with more candy and better decorations and Kearney Lodge is no exception.

My house spent many months under construction before I was able to move in last December, but I was so excited for Halloween at my house that I stocked up on candy and pulled up a chair in the sawdust to wait.

No one came. It made me so sad that the small community I was so excited to join had lost its Halloween excitement. This neighborhood has all the hallmarks of being the perfect place to trick-or-treat with its 5 mph speed limit, homes in close proximity, and security patrolling the streets. Plus staying close to home gets the kids home to bed earlier and it's safer for everyone!

Now all we need is YOU! Make sure your porch light is on so the kids know it's okay to knock on your door and enjoy the spirit of the holiday! * Help us bring back the excitement of Halloween to Kearney Lodge Park!

*If you do NOT plan on giving out Halloween treats please make sure you turn your porch light OFF.

BEST YARD

The "Best Yard" winner honored in October is Linda Whims, in Unit #46. Linda moved to Kearney Lodge from Pacific Beach earlier this year into a unit that needed a lot of work, both inside and out.

Over the past few months, Linda has upgraded and remodeled the unit, and #46 is now one of the nicest spaces in the Park.

The yard is clean, weed-free and interesting. One area is covered with artificial turf with a small palm in the middle. A 2nd area is covered with white rocks and includes a tall Italian Cypress, several very large, decorative rocks, Percy the pelican, and a long wooden planter containing succulents.

Yet another area is covered with wood-chip mulch and irregular step-stones. This 3rd area includes various fruit trees (apple, apricot, orange, and lemon), and other plants such as pink and yellow Plumeria. A new white wooden fence surrounds the third area. Great job, Linda!

WHAT IS HAPPENING IN K. L. PARK?

That is, with our neighbors – is there a new baby, or a wedding that would bring a spark of joy to the rest of us? Space numbers would not be included, nor last names.

For example: (Sam, Jr. was born to Sam and Sue on dd/mm/yyyy.) Those who know a Sam and Sue, and that Sue was pregnant, would now know the happy news.

Other important events would be reported in the same manner. Please call 1-858-279-6088 to report special resident events in K. L. Park.

SHARE BOX: There is a Share Box inside the Clubhouse to put useable items no longer used. You may find something that your family can use. Items to donate are canned goods, clothing that no longer fits, house-hold items such as extra linens or kitchen items, tools, or pet items also no longer used, such as e-collars and crates. Be sure items are clean; perhaps labeled with size or parts.

TRANSPORTATION SERVICE

The KLCC Transportation Service is for residents who do not drive or have vehicles for their essential trips such as appointments or grocery shopping. KLCC CRAFT FAIR

There are many talent-

ed and crafty people living in our neighborhood. We want to showcase their talent to our community. This Craft Fair is a way to feature one-of-a-kind creations and unique items hand-made by our Park residents. We also invite you to sell some of your dearly-loved collectibles you no longer have room for or use. Trust me when I tell you, your kids don't want those collectibles you've been saving for them!

Examples of some of the collectibles you might want to sell: Christmas items, porcelain dolls, salt and pepper shakers, shot glasses, baseball cards, etc. If you paint, make jewelry, create scrapbooks, do any of many types of needlework, etc., please consider participating by selling your wares.

The Craft Fair is scheduled for **November 3rd** in the front Clubhouse to be indoors, from 9:00 am to 1:00 pm.

A minimum of six participants will need to RSVP **no later than Saturday, OCT 20th**, or the Craft Fair will be cancelled for 2018. If you plan to participate, and/or need more information, call JoAnn Brownwood at 1-858-213-3767 or email her at joannechase@yahoo.com.

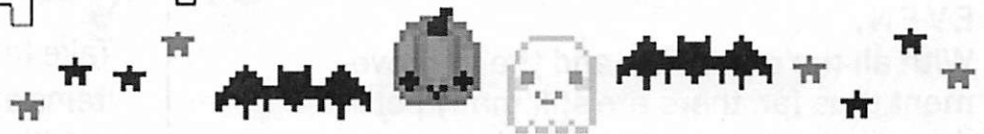

THOUGHTS

by Bill Crowder

If we judge others only by their outer appearance, we might miss the wonderful surprises of what's in their heart.

In a world where words are often wielded as weapons, may we use our words as tools to build up the hearts of others.
