## “BEST YARD” OF THE MONTH MARCH 2020 Unit #127

Our Best Yard selection  
featured in this April 2020

issue is Unit #127 near the back of the Park  
on the west side.

Owner Craig Aune has done a great job putting  
together a very interesting Southwestern  
landscape.

On the right side of the unit is a clean concrete  
driveway. At the front of the home is  
a raised patio with multiple wind chimes. Also  
in front, on a clean concrete surface, there is  
an assortment of plants in both large and  
small containers. Several plants are blooming  
with yellow, white and purple flowers. Placed  
among the plants are large decorative rocks,  
an antique pump, a wooden wagon-wheel and  
a large carved wooden owl from Mexico.

On the left side, on a clean concrete surface  
and wood-chip base, there is a palm tree and  
more drought-tolerant plants (some flowering).  
Large and small rocks are placed among the  
plants, and lastly, there is a walkway made of  
small pavers which leads to the backyard.

Thank you, Craig, for creating this very interesting  
landscape display. —*Ron Maurice Reporting*

### NOTICE

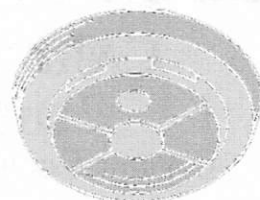

The April KLCC meeting has been canceled.

In the future, meetings will be held every other

and hope that the health issues have been  
contained enough for the meeting to happen.

If you wish to be added to a list of homeowners  
that will receive email updates as needed,  
please send an email to  
[vadombrow@yahoo.com](mailto:vadombrow@yahoo.com) See also back page.

### SMOKE ALARMS SAVE LIVES!

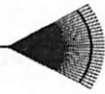

Home fires take more lives  
every year than all major  
disasters combined.

### REQUEST FREE ALARMS!

Volunteers will install smoke alarms  
in your home in a partnership between the Burn  
Institute and your local Red Cross. Every day,  
seven (7) people die from home fires. Working  
smoke alarms increase the chance of survival by  
50%. Schedule an appointment by calling  
1-619-354-9609 or visiting the website  
[SoundTheAlarm.org/SanDiego](http://SoundTheAlarm.org/SanDiego).

## REPORTING

April 2020

Valerie Dombrow Reporting

Myrna Wilhelm was one of eight children, which made her growing up always fun as her family was very close. Her mother was a stay at home mom and was mom to more than just her own children. She was mom to many of the children in the neighborhood and cared for them when they were good or in trouble. Her dad was in the Army, and after that career, he became a handyman.

Myrna was born in Modale, Iowa, moved to Kennard, Nebraska, and then to Colorado. She graduated from High School in Colorado.

In 1960 she moved to California. She and her husband Raymond moved into Kearney Lodge Mobile Home Park in 1977 making her one of the residents living here the longest. Her husband passed away in 1978.

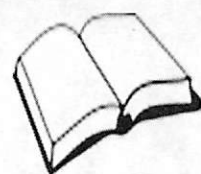

Raymond worked for the telephone company for 14 years and then became an electrical engineer. Myrna worked for the phone company for 35 years. She volunteered at Rady's Children's Hospital for many years, drove for Meals on Wheels for 10 years, and took up bowling upon her retirement. She also enjoyed working with plastic canvas.

Myrna has seen many changes here in the Park and has seen many managers come and go, and said she loves the current management team. She also said she has great neighbors that look out for her.

Myrna loved her family and when asked about her favorite childhood memory, she said her family. They are all gone now but the memories live on.

As does Myrna, at 93, she still drives but does stay away from the freeway.

Keep going, Myrna you have a lot left to live!

## COVID-19 and Your Pet

**STORY AT-A-GLANCE** — The current human coronavirus outbreak that originated in Wuhan, China, called COVID-19, has some pet parents worried, and others taking unnecessary and drastic measures against their animal companions.

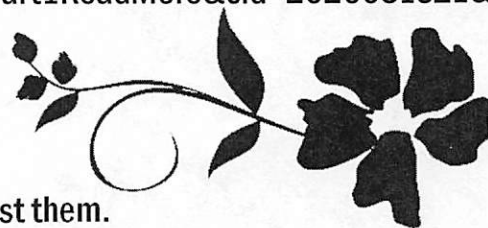

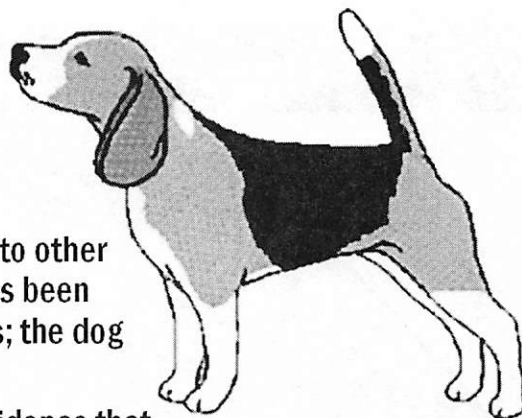

The coronavirus that causes COVID-19 is transmitted by humans to other humans — one dog living with an infected owner in Hong Kong has been placed in quarantine due to repeated “weak positive” test results; the dog has shown no clinical symptoms.

Per the OIE World Organization for Animal Health, “There is no evidence that dogs play a role in the spread of this human disease or that they become sick. Further studies are needed to understand if and how different animals could be affected by COVID-19 virus.”

There’s no need for pet parents to avoid or abandon animal companions; if no one in your home has the virus, as always, wash your hands after handling your pets and include them in your emergency preparedness planning.

If someone in your household is diagnosed with COVID-19, it’s wise to limit interactions with pets along with other human family members.

## FROM MANAGEMENT'S APRIL 2020 BULLETIN

In an effort to mitigate the spread of COVID-19 and the related health risks that it poses to members of our community, Kearney Lodge is taking the steps outline below.

We are closing the Clubhouse, Pool Room, pools, and bathrooms for the time being. The laundry room will be open for now, however, we encourage those attending to observe the protocols set forth by the CDC; stay home if you're sick, maintain a distance of 6 feet apart, wash y our hands frequently.

We encourage residents to pay their rent through your bank's Bill Pay system. You can set up Bill Pay by contacting your financial institution. You tell Bill Pay how much to make the check for when your get your bill, they produce and mail the check to us. Otherwise it would be helpful if you would drop your checks through the slot in the Office door.

**If you have any concerns or questions, please contact us by phone, rather than coming into the Office (858-277-6060) or text 858-922-9083.**

Dumpster Day is being postponed. We will let you know in advance when it is being rescheduled.

We know that this is an evolving situation and circumstances may change, so we will keep you updated with any further operational changes that may occur.
