MEMBERSHIP GROWTH TAKES PROMOTION

Like any organization, the life blood of growth is Promotion. A good way to start is invite one of your neighbors to our next General Meeting.

Kearney Lodge Resident Complaint Form

Kearney Lodge attempts to promote a harmonious community atmosphere. However sometimes incidents occur which may infringe on your enjoyment of the Park. In order to remedy the situation, Kearney Lodge requires all complaints or suggestions be submitted to Park Management in writing. The resident should list the complaint in their own words and only those things that they saw or heard with dates and times. At the bottom of second page you are required to Date, print Name, indicate your Space Number and Sign, if you do not follow this procedure your form will be shredded.

Private Organization

The KLCC is a private Association dedicated to serving and improving the quality of life for the entire community with emphasis on safety, courtesy and neighborhood. Opinions expressed in "letters to the Editor" sections of the Connector do not necessarily represent the views of the editorial staff, but are printed to encourage comments and discussion among resident homeowners. Submissions to The Connector must be received **No Later than the 20th** each month. The Connector reserves the right to use such discretion as it may consider appropriate in the printing of advertising or other material submitted for publication. You are encouraged to check the products and/or services advertised herein.

Advertisements of products or services herein do not imply endorsement of any product or service. The KLCC is NOT responsible for your use or purchase of them.

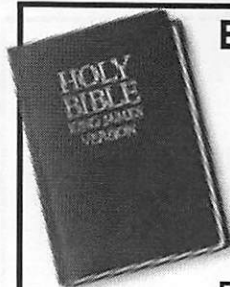

Flag Day

Flag Day is a celebration of the adoption of the American flag by Continental Congress in the First Flag Resolution of June 14, 1777. Although the 200-year anniversary of this date was celebrated by flying flags on public buildings and holding remembrances in several cities, Flag Day wasn't officially recognized until President Harry Truman signed it into law in 1949.

Bernard J. Cigrand, known to the general public as the "Father of Flag Day," worked as a school teacher at Stony Hill School in Waubeka, Wisconsin. He held the first unofficial observance for Flag Day at that school in 1885, and today a bust of Cigrand stands in Waubeka at the National Flag Day Americanism Center.

Best Yard of the Month May 2017

Stephen Dexter
Owner Space # 1

Stephen Dexter, resident of space 1, is May 2017's Best Yard recipient. Although he is brand new to our park, he has resided in Clairmont for *many* years. As part of his construction background, Steve has bought, remodeled and sold over 80 houses. Along with this trade talent comes (as we know) designing beautiful yards.

A border surrounds his front yard. Excavated dirt was replaced with weed-control barriers. A midst a bed of mid-sized white and gray rocks was planted various succulents, desert flowers and textured shrubs that thrive in our So-Cal climate. His plans are to re-create his back yard with a similar theme; alongside the fruit trees already standing.

WELCOME to Kearney Lodge Steve....and THANK YOU for sharing your yard with all of us! Congratulations!!

ABOUT:

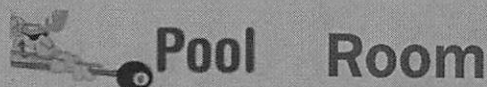

Retired Senior Volunteer Patrol (RSVP)

The Retired Senior Volunteer Patrol program is a vital, indispensable component of the San Diego Police Department. It began in 1992 as a pilot program in Rancho Bernardo. Today we are over 400 strong and growing all the time. To give you an idea of how much they do, since January 2013, the R.S.V.P.'S donated almost 53,000 hours to patrol and other city events. They are on pace to hit 125,000 in volunteer hours by the end of the year.

RSVP'S donate many valuable services for the communities in which they serve. Among these are vacation house checks;

- child fingerprinting programs
- gathering evidence
- visiting elderly persons living alone
- and various crime prevention duties.

Hi-Lights from the May 13th General Meeting

Our meeting started off with not good news. Joleen Gonser went into the hospital for hip surgery and encountered complications and had to stay in the hospital a week. She was moved to Kearney Mesa Convalescent home on May 13th and will remain there for 4 weeks. Joleen is in Room 14, bed 2, let's all keep her in our prayers.

Because of May sightings of coyotes residents were reminded to keep all pets inside at night. Also a good idea not to leave pet food out.

Jimmy Dobbins has volunteered to help set up a website for KLCC. Once a website is established Kearney Lodge Management will let us put a link to their website. We have to remember, we are all volunteers and things don't happen overnight.

JoAnne Brownwood reported that all the Medical Devices have been moved to its new location, the small vehicle Lot. Our only shortage is wheelchairs; if you have one that you do not need, please contact JoAnne.

Please complete the Activities form and place in one of the Suggestion Boxes.

Our upcoming Rummage sale was discussed and decided that the KLCC will be having a table there to raise money for the Kearney Lodge Community Connection. We will be asking you for goods to sell so hopefully we can replenish our funds.

Although voluntary, we reminded all members that our dues are \$12.00 a year. If you so desire, you can pay our Treasure, Nadine.

We received an Activity request from Amber Bennett to have a summer BBQ, making it a "Community Connection" event to encourage Fellowship. This will be discussed at our next Board of Officers meeting, and will be addressed at the next General Meeting.

The Best Yard winner for the month of May was announced. (See article on page 4.) If you have a neighbor who you think is deserving of this Award, submit their Space # no later than the 1st of each month. All submitters please include your name and Space number.
