You missed some interesting crafts if you didn't attend.

We've noticed an increase in cigarette 'remains' being crushed and/or dropped on the streets and in front yards. Please take your 'remains' with you instead. Besides being messy, the 'remains' can be a fire hazard.

FREE STUFF (VOTE - VOTE - VOTE !)

The folks who are getting the free stuff don't like the folks who are paying for the free stuff, because the folks who are paying for the free stuff can no longer afford to pay for both the free stuff and their own stuff.

The folks who are paying for the free stuff want the free stuff to stop, and the folks who are getting the free stuff want even more free stuff on top of the free stuff they are already getting!

Now...the people who are forcing the people who pay for the free stuff have told the people who are RECEIVING the free stuff that the people who are PAYING for the free stuff are being mean, prejudiced, and racist.

So...the people who are GETTING the free stuff have been convinced they need to hate the people who are paying for the free stuff by the people who are forcing some people to pay for their free stuff and giving them the free stuff in the first place.

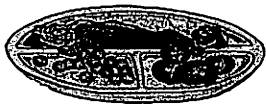

We have let the free stuff giving go on for so long hat there are now more people getting free stuff than the people paying for the free stuff.

Now understand this. All great democracies have committed financial suicide somewhere between 200 and 250 years after being founded. The reason?

The voters figured out they could vote themselves money from the treasury by electing people who promised to give them money from the treasury in exchange for electing them.

The United States officially became a Republic in 1776, 236 years ago. The number of people now getting free stuff outnumbers the number of people paying for the free stuff.

We have the chance to change that in 2012, but only **if YOU VOTE on November 6, 2012.**

TREAT YOUR PETS LIKE FAMILY

Dogs, cats, rabbits, birds, reptiles, etc. — our pets depend on us for everything: food, shelter, love, medical care, and safety in all cases. Keep those food and water bowls clean. Store pet food safely: If the pet food is moist, refrigerate promptly or discard. Store dry pet food and treats in a cool, dry place (under 80° F). Always wash and dry your pet's food and water dishes before refilling them. Wash your hands before and after handling pet food and feeding your pets.

Here in the Park, pets shouldn't be out overnight or when left alone, but even when you are home and a pet is in the yard, that pet needs shelter from both the sun and inclement weather. Provide a porch or outdoor shelter for your pet. Inside, make sure your pet has a bed that makes the pet feel secure. Don't let anyone, including children, annoy, injure, scare, or otherwise be mean or cruel to the pet. This will also protect someone from being injured by the pet because it is protecting itself.

Love the pet; don't isolate and ignore it. Learn your pet's preferences for grooming, cuddling, being with you, etc. Learn how to use the right equipment, such as brushes, clippers, etc.

Plan ahead for medical needs and emergencies. Remember shots, dental needs, and the changing requirements of older pets.

Last, but not least, if walking your pet, remember to be a good neighbor. Pets outside need to be on leashes and picked up after.

Review: I have used Action Air for many years. I was referred to them by a neighbor and it was the best advice! Get this: they are prompt, courteous, friendly, thorough, fast and don't try to "create" problems to fix. In other words, they are fantastic! They do their job! What a concept! KLCC POTLUCK & MEETING
THURSDAY, 8 NOVEMBER 2012
AT 6:30 and 7:00 PM
Bring your own plate
and utensils.

HOUSEKEEPING CONCERNS:

1. Joleen was asked to place an ad in the next newsletter for a volunteer who would be willing to approach some local businesses to place ads in our newsletter.
2. Joe reminded everyone to speak one at a time, no yelling.

COMMITTEE REPORT: BLOCK CAPTAINS

1. Most disaster packets have been distributed. Joe will contact the block captains who have not yet distributed their blocks' packets to see if they need help. Ellen and Wendy volunteered to help distribute for other blocks if needed.
2. Bonnie is waiting for confirmation regarding having a speaker at the November meeting related to emergency preparations.

OLD BUSINESS:

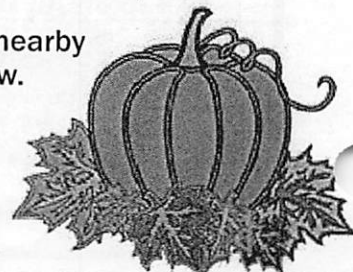

1. Transportation: No calls for assistance this month. Remember, you can contact Ellen if you need help.
2. Hobby Show and Sell/Tell had 8 table-displays. Suggestions were made to increase park awareness of this and other events:
 - a. Ellen already posts signs on bulletin boards around the park; and puts out a sign near the entrance to the park.
 - b. It might help to post a sign in the clubhouse window with large lettering stating "EVERYONE WELCOME" to distinguish a park-wide event (separately) from a private event.
 - c. Joe volunteered to either (1) price the cost of purchasing a couple of advertising stands, or (2) to build one himself. He will report on this at next meeting.
 - d. The idea of having another Show and Sell/Tell event was tabled for now.
3. Park street names: more suggestions were submitted and will be compiled for the committee to narrow down to 4 options per street to be presented to management for approval. Once approved, the final options will be voted on at the November 8 meeting. THANK YOU to everyone who took the time to offer their ideas.

A copy of the By-Laws
is in the KLCC Minutes
Notebook in the
clubhouse and
available at meetings.

NEW BUSINESS:

1. Suggestion box item(s) – A letter was received from Lucy thanking the KLCC for all the work we have been doing. [Editorial comment: It would be great for others who are home and mobile on meeting days to get involved, as even more could be done to bring us together as a community.] Lucy also said the last *Connector* was the best newsletter so far, especially the Burma Shave reminder that elicited fond memories.
2. New member John had several suggestions:
 - a. He wondered if the Park could publish a list of important numbers and nearby services. He provided an example. No motion was made. Tabled for now.
 - b. He indicated that the latch for pool access is too high for people with disabilities. Joe will bring this to the attention of the park managers.
 - c. He indicated that the number of cracks and uneven asphalt in the park may make it unsafe to walk, especially at night.

(Continued on Page 8.)

KLCC MEETING of 1 OCT 2012 – Continued

[Editorial comment: Dark streets would be a good reason to carry a flashlight when walking in the park after dark. Another reason would be that drivers could see you more readily.]

1. Other discussion items included:

- Concerns about a couple of motorcyclists speeding down the street with spaces 1-33 and 74-97 (soon to have a real name attached to it!) Board members reminded residents that the best solution is to take down license numbers and report those to the managers of the park.
- Concern about water pressure was raised. Only a couple of residents at the meeting, who live several streets apart from each other, were affected. If the problem persists, the best solution is to report it in writing to the park managers.
- A question about whether or not the board receives any accounting of revenue/expense related to space rents was raised again. The board reminded residents that residents only own their homes, not the land the homes sit on, and the KL is a business that has no obligation to report revenue/expenses to residents.

2. Raffle drawing was held for the \$15 that was collected. The winner's name will not be published.

3. Next meeting is November 8, 2010. There will be a potluck from 6:30-7:00 PM, and the meeting runs from 7:00-8:00 PM. [NOTE: A potluck is held every odd month at 6:30 pm.]

4. TWO AGENDA ITEMS:

- Voting on street names
- There may be a speaker about emergency preparedness — waiting for confirmation.

Meeting adjourned at 7:56 PM

Respectfully submitted, *Wendy J. Hunter*, Secretary KLCC

Cut up a disposable water bottle and keep the neck and top.

Insert the plastic bag through the neck and screw the top to seal. The bag is made air-tight and water-proof. It is easy to open, and the top and cap may be used many times.
